

WIZO Aviv Young Leadership Mission 2018

About WIZO Aviv

WIZO Aviv is a vibrant, international group that covers the young women (ages 25-45) of WIZO. This 'spring' of WIZO has continued to drive WIZO's mission in advancing the welfare of women and children in Israel since 1957. To date WIZO has over 800 projects in Israel, positively impacting the lives of hundreds of thousands of women and children. WIZO Aviv gives young women a platform to explore, encourage and engage with idealism in their own way.

Mission Goals

Each year the AVIV women from around the world come to Israel on the AVIV Seminar to deepen their connection to Israel and WIZO's ideology. They think, share, learn and work together before returning to their home Federations to continue their work.

The Mission has several goals, amongst others, providing participants with leadership and public diplomacy (hasbara) training, giving participants tools for effective event planning, fundraising and membership recruitment, as well as allowing for networking and the exchange of ideas between the emerging leadership of WIZO federations worldwide.

Visiting and volunteering at WIZO projects opens the eyes of the participants to the bigger picture of WIZO giving enabling them to see first-hand that WIZO is truly at the heart of Israeli society.

Last but not least there is also plenty of time for bonding, networking and pure fun.

This year in Jerusalem!
