WIZO New South Wales 2018 MEMBERSHIP CAMPAIGN

Our 2018 'I am a WIZO Woman' membership campaign has been incredibly successful, opening the doors for young adults, teens and children to become part of the WIZO family.

The campaign showcased the commitment and diversity of nine different WIZO women, from fourteen year old, fourth generation WIZO member Saya Oshlack, to North Shore based Karen Pisk, who has been a WIZO member for over forty years. A landing page was set up on our website, displaying each of these WIZO women who explained why they are passionate about WIZO.

Our standard annual membership is \$65 and for the first time, young adults were offered a reduced membership of \$36 for women under thirty-six and \$18 for girls under eighteen. There was an excellent response from existing members who were encouraged to become 'a real WIZO family' and sign up their daughters and granddaughters.

Forty teenagers from various schools came together to listen to a fellow teenager speak of her recent visit to Ahuzat Yeladim and how the visit affected her.

They then participated in a 'Cyber Busters' workshop by Class Act who is one of the largest unfunded Theatre In Education organizations in Australia! Cyber Busters explores all facets

WIZO Victoria Charidy Campaign

On March 6, 2018, WIZO Victoria in conjunction with Charidy once again ran a 16-hour campaign, reaching beyond their initial goal of \$100,000 to raise an enormous \$119,744. Charidy is a crowd-funding organization, which works with organizations to raise money in a short period of time. WIZO volunteers came in to the office to phone as many people as they could to raise money on the day. Without the help of our amazing volunteers, we would not have been able to raise this money.

Western Australia

International Women's Day dinner

WIZO WA held its annual International Women's Day dinner on March 8, 2018. This was an opportunity to highlight what WIZO is doing to uplift and support women in Israel.

Professor Lyn Beazley, Neuroscientist and former Chief Scientist of WA, 2015 WA Australian of the Year and holder of numerous prestigious awards and honours, was the very entertaining guest speaker and delighted the 110 guests. Professor Beazley said WIZO's 98 years of philanthropy is dear to her heart - volunteering, giving, caring – doing what you can to, give back.

The function was linked to WIZO's Makom BaLev centre, and guests heard about the very important work being done there for young women living in truly terrible circumstances, without family, without love, and often without hope.

2018 WIZO Walk for International Women's Day

There was a wonderful turnout for the 2018 WIZO walk for International Women's Day on March 11, 2018. Sporting purple ribbons, women, children, husbands and dogs walked, cycled, scootered or ran round Lake Monger, Perth in the late afternoon.

This year's theme was Leave No Woman Behind. WIZO has many programs for women's empowerment that provide skills, encouragement and help to build confidence to (re) enter the work force and cope with life's challenges.

These people came, showed their solidarity for WIZO and Israel, and surprised our audience with their creativity and talent.
