/// When you are asked in the world to come, 'What was your work?' and you answer, 'I fed the hungry,' you will be told, 'This is the gate of the Lord, enter into it, you who have fed the hungry.'"

Midrash Psalms 118:17

Imagine you had no dinner last night, and no breakfast this morning.

Your stomach is growling, and all you can think about is how hungry you are.

Could you sit in class and learn about science, take a test in literature, or do your math homework?

This is the daily reality for thousands of boys and girls who study in WIZO's youth villages and high schools, for whom the hot lunch WIZO provides them is the only meal they eat all day.

Every day, WIZO feeds thousands of kids, and provides their families with food for the holidays.
